

ONC Privacy & Security Guide

The Office of the National Coordinator for Health Information Technology has released in April version 2 of the Guide to Privacy and Security of Electronic Health Information. Here's an excerpt from their website:

Need help implementing the Health Insurance Portability and Accountability Act (HIPAA) Privacy, Security, and Breach Notification Rules in your health care practice? Check out the [Guide to Privacy and Security of Electronic Health Information \[PDF - 1.27 MB\]](#).

The [Office of the National Coordinator for Health Information Technology \(ONC\)](#), in coordination with the [U.S. Department of Health and Human Services \(HHS\) Office for Civil Rights \(OCR\)](#), created the Guide to help you integrate privacy and security into your practice. The Guide covers a variety of topics highlighted below. [Download a pdf of the full Guide \[PDF - 1.27 MB\]](#) to learn more.
